Request Types

Please provide the following information in your proposal:

- ✓ Pricing estimates and cost breakdown
- ✓ Project schedule and timeline
- ✓ Space planning and design concepts

Requested Deliverables

- Preliminary space plan
- Timeline estimate for design phases
- Fee proposal for full architectural services

Pricing Considerations

- Review existing building conditions and space requirements
- Develop preliminary space planning concepts
- Provide conceptual floor plans showing potential layout options
- Identify major building system impacts and requirements
- Preliminary cost estimation for tenant improvements
- Detailed design development
- Construction documents
- Permitting support

- Construction administration

Important Note: This preliminary RFP is issued to support ongoing lease negotiations with a prospective tenant. The project may not proceed, and this request does not constitute a commitment to architectural services. Please provide conceptual-level pricing suitable for initial tenant discussions.

This preliminary RFP was generated on Monday, August 11, 2025 for broker response purposes. For questions, please contact Adolfo Reutlinger.
