PRELIMINARY REQUEST FOR PROPOSAL

Architectural Services - T-Bones and More @ 123 Miami Gardens Street, Miami, FL 33313

RFP Number: RFP-2025-003

PRELIMINARY BROKER RESPONSE RFP

This is a preliminary request for space planning and conceptual pricing to support broker discussions with a prospective tenant. This is not a formal project commitment.

Project Overview

Property: T-Bones and More @ MG Westside - A

Requested Response: Tuesday, June 17, 2025 E.O.B.

~~Prospective Tenant: T-Bones and More~~

Project Type: Preliminary Assessment

Property Address: {Property Address}

Preliminary Scope of Work

Phase 1 - Initial Assessment (Requested):

- Review existing building conditions and space requirements
- Develop preliminary space planning concepts
- Provide conceptual floor plans showing potential layout options
- Identify major building system impacts and requirements
- Preliminary cost estimation for tenant improvements

Future Phases (If Project Proceeds):

- Detailed design development
- Construction documents
- Permitting support
- Construction administration

This should read something along the lines of "Pricing Considerations" and should all be under the same phase. No need to subdivide the phases

Requested Deliverables

- Preliminary space planning concepts (2-3 options preferred)
- Basic floor plans showing proposed layout
- Conceptual cost estimate for tenant improvements
- Timeline estimate for design and construction phases
- Fee proposal for full architectural services (if project proceeds)

Important Note: This preliminary RFP is issued to support ongoing lease negotiations with a prospective tenant. The project may not proceed, and this request does not constitute a commitment to architectural services. Please provide conceptual-level pricing suitable for initial tenant discussions.

This preliminary RFP was generated on Monday, June 16, 2025 for broker response purposes. For questions, please contact Adolfo Reutlinger.
